

Motorhead Messageboard

Motorhead Message Central

Motorhead Message board is a web based moderated message board fulfilling your need to answer those questions that plague you when you are working on your rod and can't seem to figure it all out. The members of the MMC have been asking and answering those questions for many years. Some of them are Freelance magazine writer working for the magazines you have read for years. It has a friendly atmosphere that causes people to talk about topics related to many things from Airplanes to Children, and Motorcycles to Garage building. Rodders and Customizers from 16-70 communicate on topics from installation of IFS and IRS systems to which parts will swap to my car to get the options I want. Many of the ideas relate will to home build and low budget rides. We will talk about any car from the 1909 Olds to the 2001 Ford Focus if that is what you like.

Just remember all questions asked lead to experience gained
